## 8 hrs of Pesticide CEU's Offered

A multi-county Farm and Ranch Seminar for farmers and ranchers conducted by the Texas A&M AgriLife Extension Service in District 8 is scheduled December 8, 2022. The District 8 Farm and Ranch Seminar will be offered at numerous locations across Central Texas.

Private Applicators License holders must obtain 15 hours of CEUs every five years to renew/recertify their license; including two hours of Laws and Regulations, two hours of Integrated Pest Management (IPM), and any mix of these and General hours to equal the required 15 hours of CEUs. Licensed commercial and non-commercial applicators are required to recertify every year by obtaining five continuing education credits with one credit each from two of the following categories: laws and regulations, integrated pest management or drift minimization.

The December 8th seminar will provide participants with the opportunity to receive up to eight (8) CEUs. Of the eight (8) hours, three (3) hours will be in General, two (2) hours in IPM, two (2) hours in Laws and Regulations and one (1) hour in Drift.

Licensed commercial and non-commercial applicators will be able to obtain their required five hours within the first five hours of the program.

**Program registration cost is \$60.00, Persons interested in attending need to contact the Navarro County extension office @ 903-654-3075 or scan and sign up online using the QR code**
